Sustainable Business Management Bachelor’s Degree (2019-2020)

Unity College’s B.S. in Sustainable Business Management will prepare students to be innovative sustainability business leaders. This program will provide practical expertise and professional skills to students interested in a profession that advances the sustainable business movement.

Graduates of the B.S. in Sustainable Business Management will be able to:

1. Identify sustainable solutions to business practice and products.
2. Demonstrate effective written, oral, and interpersonal communication to diverse stakeholders.
3. Analyze and evaluate environmental and business situations by applying ethical approaches to decision making.
4. Apply business concepts and approaches for managing organizational change and managing and leading people.
5. Exhibit ability to work effectively individually and in groups.
